Dear Joanna,

I am writing to thank you for the great effort and success in getting us Trademarked. Your hard work did not go unnoticed. Not only do you offer incredible customer service, you are also amazingly effective, reasonably priced, and work with great integrity.

I still cannot believe you were able to get our color registered. You did not take no for an answer and went above and beyond to get this accomplished. All I can say is "wow"!

If I can act as a reference for you, please do not hesitate to ask. You run a very impressive law firm and I am grateful our paths crossed.

Warm regards,

Mary Jean Anderson, President
